1. Overview of the Institution

1.1 Overview of Gratia Christian College

1.1.1 The Higher Diploma in Early Childhood Education (HDECE) Programme is offered by Gratia Christian College (GCC) (宏恩基督教學院) at 5 Wai Chi Street, Shek Kip Mei, Kowloon, Hong Kong (香港九龍石硤尾偉智街 5 號).

1.1.2 The legal entity of GCC, Gratia Christian College Limited, was registered under Companies Ordinance CAP 32 on 20 December 2013. GCC was granted the degree-awarding status for registration under the Post-secondary Colleges Ordinance and Regulations (CAP 320) as a private, independent, and non-profit-making Christian post-secondary college on 13 July 2015. The ultimate goal of the College is to become a private and independent Christian university in the future.

1.2 Vision, Mission and Values

1.2.1 The Vision of GCC is “To be a private independent Christian university that excels in liberal arts and professional education for developing servant leaders to serve the Chinese and global communities with competence and Christian love.”

1.2.2 The Mission of GCC is to

- a) Inspire students to develop academically and spiritually, discover complementation between knowledge and faith, think critically with clarity, act professionally with integrity, and work in teams effectively with humility.
- b) Provide professional development and life-long learning programmes for staff in partnership with educational, commercial, and religious organizations.
- c) Engage the Church in inter-faith and inter-cultural dialogues for developing Christian approaches to current and future issues facing the Chinese and global communities.

1.2.3 GCC nurtures its students based on the “CHRIST” values:

“C	H	R	I	S	T”
COMMITMENT	HUMILITY	RESILIENCE	INTEGRITY	SERVICE	TEAMWORK

1.3 Desired Characteristics of GCC Graduates

1.3.1 It is desired that graduates of GCC:

- a) be knowledgeable and professional;

- b) learn independently and think critically;
- c) strive for innovation;
- d) integrate the “CHRIST” values and faith in whole person development;
- e) develop self-confidence, social and interpersonal skills;
- f) be a valuable citizen of society with global perspectives;
- g) apply the principles of servant leadership in life.

1.4 Servant Leadership

1.4.1 The concept of servant leadership is a core element found in GCC’s Vision, graduates’ desired characteristics and programme objectives. It is therefore a dominating feature of both the formal curriculum and co-curricular activities.

1.4.2 The definition of servant leadership is adapted from “The Servant as Leader”¹:
 “The servant-leader is servant first... It begins with the natural feeling that one wants to serve, to serve first. Then conscious choice brings one to aspire to lead. That person is sharply different from one who is leader first... The best test, and the most difficult to administer, is this: Do those served grow as persons? Do they, while being served, become healthier, wiser, freer, more autonomous, more likely themselves to become servants? And, what is the effect on the least privileged in society? Will they benefit or at least not be further deprived?”

It is hoped that students will find the College a place for growing and bonding, as well as a second home for everyone.

6. Community Service

6.1 Since the vision of the College is to develop servant leaders, all full time students have to complete the required hours of community services within their years of study as shown in the table below.

Programme Type	Number of Hours Required	Duration
Degree	20	Within 4 years
Degree (year 3 entry)	20	Within 2 years
Higher Diploma	20	Within 2 years

6.2 The servant comes first in servant leadership. To cultivate such an attitude to life, Gratia puts emphasis on community service and nurturing students to become servant leaders. We reach out first and foremost to districts in our close proximity, and encourage students to apply what they learn to address local and global problems. Our ultimate goal is to nurture in students a twin sense of care and justice, to boost their interpersonal skills, and to instill civic virtue as well as “CHRIST” values.

6.3 Students may choose to fulfill this obligation either individually or in groups. They may look for the service opportunities by themselves, and/or enroll in programmes which are promoted or organised by the Student Development Office. Students are expected to fill in the service details in the Community Service Record Book.

6.4 There are special arrangements for students studying on a part-time mode and those full time students working part-time with pay in organisations recognized by the College.
