#### 1.3 Desired Characteristics of GCC Graduates

  - e) develop self-confidence, social and interpersonal skills;
  - f) be valuable citizens of society with global perspectives; and
  - g) apply the principles of servant leadership in life.

#### 1.4 Servant Leadership

1.4.1 The concept of servant leadership is a core element found in GCC's vision. It is one of the graduates' desired characteristics so it is written as a programme objective for all the programmes at GCC. It is also a dominating feature of both the formal curriculum and co-curricular activities.

Adapted from "The Servant as Leader":

"The servant-leader is servant first... It begins with the natural feeling that one wants to serve, to serve first. Then conscious choice brings one to aspire to lead. That person is sharply different from one who is leader first...The best test, and the most difficult to administer, is this: Do those served grow as persons? Do they, while being served, become healthier, wiser, freer, more autonomous, more likely themselves to become servants? And, what is the effect on the least privileged in society? Will they benefit or at least not be further deprived?"

## **Section 6 Community Services**

**6.1** Since the vision of the College is to develop servant leaders, all full time students have to complete the required hours of community services within their years of study as shown in the table below.

Degree	20	Within 4 years
Degree (year 3 entry)	20	Within 2 years
Higher Diploma	20	Within 2 years
Diploma	10	Within 1 year

- **6.2** The servant comes first in servant leadership. To cultivate such an attitude to life, Gratia puts emphasis on community service and nurturing students to become servant leaders. We reach out first and foremost to districts in our close proximity, and encourage students to apply what they learn to address local and global problems. Our ultimate goal is to nurture in students a twin sense of care and justice, to boost their interpersonal skills, and to instill civic virtue as well as "CHRIST" values.
- **6.3** Students may choose to fulfill this obligation either individually or in groups. They may look for the service opportunities by themselves, and/or enroll in programmes which are promoted or organised by the Student Development Office. Students are expected to fill in the service details in the Community Service Record Book.
